

We Move Homes

Packing Instructions

- Use strong doubled walled boxes.
- Use plenty of bubble wrap for fragile items, pictures, ornaments, mirrors, china, glass and any mirrored furniture.
- Please label all boxes for correct rooms and ensure they are closed securely for transport.
- Please label half loaded boxes with 'Do Not Stack'. This ensures our movers to not overload boxes ontop causing it to collapse.
- Please use Room Label Tags on all boxes, suitcases and bags so our movers know which room to unload or place your items.

- For any new furniture or items that have recently been purchased, please ensure you have securely wrapped and protected your item/s ready for transport.
- We Move Homes is not responsible for any damage that may incur whilst in transport due to insufficient protection.
- We Move Homes will add blankets to cover your items as standard but unless a packing service is purchased through We Move Homes, we will not add further protection to your items unless agreed prior to your moving day.
- Please contact us prior to your move to notify us if you require extra protection.
- Any dismantled items must be dismantled prior to your move.

PROTECT YOUR ITEMS

- Wardrobe cartons for clothing if going into storage, vinyl tape, boxes, tissues, bubble wrap, mattress covers, sofa covers can all be purchased to help protect your items.
- **Unnecessary Packing**
- It may not be necessary to empty chests and dressing tables drawers if the furniture is strong enough to be moved with its contents.

- We advise all breakable items should be wrapped separately in paper, plates should be wrapped in stacks of six with a sheet of paper between each plate.
- Handles, spouts, lids etc. should have extra padding.
- Please label all Fragile boxes so our movers can take extra care not to overload when stacking.

- **Mirrors & Pictures**
- Should be wrapped and packed upright.
- **Electronic Equipment**
- Wrap up wires and colour code if need be.
- **Self Assembly Furniture**
- These must be dismantled before the day of your removal as it is not designated to be moved assembled.

- **Loft**
- All items must be brought down from the loft ready for removal. Due to health and safety.
- We Move Homes will not enter your loft at any point.
